About SFA

The Space Force Association (SFA) is the only independent, 501(c)(3) non-profit organization that serves as a professional military association whose sole focus is supporting the United States Space Force, United States Space Command, U.S. national spacepower at large, and our global partners and allies' efforts in space exploration. SFA has an essential function of supporting the men and women of the U.S. Space Force. Membership is open to both military and civilians.
